

Proprietors Council Membership

MALSCE's Proprietors Council is a group of MALSCE members that meet three to four times a year to discuss issues related to their businesses. Proprietors Council members are also listed on the MALSCE web site at www.malsce.org. This listing is frequently accessed by property owners seeking to hire Professional Land Surveyors.

Any MALSCE member, representing a firm, can be active and participate in the Proprietors Council. There are no membership applications for the Council, but to be listed on the web site and to be a member, **Proprietors Council members must have paid their current year's regular MALSCE dues, as Registered, Associate or Out of State Members, in addition to paying for Proprietors Council Membership. The FY2011 Proprietors Council Dues are \$75.00 per individual member** – this entitles you to membership in the Council through June 30, 2011. This is a special dues rate just for FY2011, set by the MALSCE Board of Directors.

Proprietors Council dues will appear on your FY2012 dues invoice. You are not obligated to renew your membership and may cancel at that time by crossing that item off your invoice.

List your information below exactly as you want this to appear on the MALSCE web site at www.engineers.org; this listing can be different from your member record in our database.
